

I am writing to express my concern about my favorite radio station K-LOVE possibly being removed from the air. I listen to K-LOVE to and from work and it is especially helpful when I am stuck in traffic. I feel encouraged and more calm while listening. I have a large number of friends in my community who also listen to K-LOVE, therefore I feel like it is a huge benefit to our community. Thank you for reading this and taking my comments into consideration.
